Note:

THIS IS A LIMITED BENEFIT POLICY. The insurance described in this document provides limited benefits. Limited benefits plans are insurance products with reduced benefits intended to supplement comprehensive health insurance plans. This insurance is not an alternative to comprehensive coverage. It does not provide major medical or comprehensive medical coverage and is not designed to replace major medical insurance. Further, this insurance is not minimum essential benefits as set forth under the Patient Protection and Affordable Care Act.

This insurance is not subject to and does not provide certain insurance benefits required by the United States' Patient Protection and Affordable Care Act ("PPACA"). PPACA requires certain US citizens or US residents to obtain PPACA compliant health insurance, or "minimum essential coverage." PPACA also requires certain employers to offer PPACA compliant insurance coverage to their employees. Tax penalties may be imposed on U.S. residents or citizens who do not maintain minimum essential coverage, and on certain employers who do not offer PPACA compliant insurance coverage to their employees. In some cases, certain individuals may be deemed to have minimum essential coverage under PPACA even if their insurance coverage does not provide all of the benefits required by PPACA. You should consult your attorney or tax professional to determine whether the policy meets any obligations you may have under PPACA.

By purchasing this insurance provided by Crum & Forster SPC, under the jurisdiction of the Cayman Islands, you become a member of the Fairmont Specialty Trust.
